What is this product?

Type: Shares of a Sub-Fund of Amundi Funds, an Undertaking for Collective Investments in Transferable Securities (UCITS), established as a SICAV.

Term: The term of the Sub-Fund is unlimited. The Management Company may terminate the fund by liquidation or merger with another fund in accordance with legal requirements.

Objectives: To achieve a combination of income and capital growth (total return).

The Sub-Fund invests at least 67% of assets in bonds indexed to European inflation and/or inflation in any member state of the Eurozone. These bonds are issued or guaranteed by any European Union member state or public entities, or issued by private issuers that are headquartered, or do substantial business, in a member state of the European Union. At least 67% of the assets of the Sub-Fund are invested in bonds that are issued in euro in the Eurozone.

The Sub-Fund makes use of derivatives to reduce various risks and for efficient portfolio management.

Benchmark : The Sub-Fund is actively managed by reference to and seeks to outperform the Bloomberg EGILB All Markets Index. The Sub-Fund is mainly exposed to the issuers of the Benchmark, however, the management of the Sub-Fund is discretionary, and will be exposed to issuers not included in the Benchmark. The Sub-Fund monitors risk exposure in relation to the Benchmark however the extent of deviation from the Benchmark is expected to be significant.

Management Process : The Sub-Fund integrates Sustainability Factors in its investment process as outlined in more detail in section "Sustainable Investment" of the Prospectus. The investment team analyses interest rates and economic trends (top-down) to build its expectations for real interest rates and inflation rates. The investment team then uses both technical and fundamental analysis to select issuers and securities (bottom-up) and implement arbitrages between indexed and fixed-rate bonds.

Intended Retail Investor: This product is intended for investors, with a basic knowledge of and no or limited experience of investing in funds seeking to increase the value of their investment and to receive income over the recommended holding period with the ability to bear losses up to the amount invested.

Redemption and Dealing: Shares may be sold (redeemed) as stated in the prospectus at the respective dealing price (net asset value). Further details are provided in the Amundi Funds prospectus.

Distribution Policy: As this is a distributing share class, investment income is distributed.
