What is this product?

Type: Shares of a Sub-Fund of Amundi Funds, an Undertaking for Collective Investments in Transferable Securities (UCITS), established as a SICAV.

Term: The term of the Sub-Fund is unlimited. The Management Company may terminate the fund by liquidation or merger with another fund in accordance with legal requirements.

Objectives: The Sub-Fund is a financial product that promotes ESG characteristics pursuant to Article 8 of the Disclosure Regulation.

To achieve long-term capital growth.

The Sub-Fund invests at least 75% of net assets in equities of companies that are headquartered and listed in the Eurozone, with a minimum of 51% of net assets in equities which have a market capitalisation below the maximum market capitalisation of the benchmark. Investments may be extended to other European Union member states, depending on the expectations regarding which countries may subsequently become part of the Eurozone.

The Sub-Fund makes use of derivatives to reduce various risks and for efficient portfolio management.

Benchmark : The Sub-Fund is actively managed and seeks to outperform the MSCI EMU Small Cap Index. The Sub-Fund is mainly exposed to the issuers of the benchmark, however, the management of the Sub-Fund is discretionary, and will invest in issuers not included in the benchmark. The Sub-Fund monitors risk exposure in relation to the benchmark however the extent of deviation from the Benchmark is expected to be material. Further, the Sub-Fund has designated the benchmark as a reference benchmark for the purpose of the Disclosure Regulation. The Benchmark is a broad market index, which does not assess or include constituents according to environmental characteristics, and therefore is not aligned with the environmental characteristics promoted by the Sub-Fund.

Management Process : The Sub-Fund integrates Sustainability Factors in its investment process as outlined in more detail in section "Sustainable Investment" of the Prospectus. The investment team selects equities based on fundamental analysis (bottom-up), constructing a concentrated portfolio that consists of those securities about which the investment team has conviction. The Sub-Fund seeks to achieve an ESG score of its portfolio greater than that of the Benchmark.

Intended Retail Investor: This product is intended for investors, with a basic knowledge of and no or limited experience of investing in funds seeking to increase the value of their investment over the recommended holding period with the ability to bear losses up to the amount invested.

Redemption and Dealing: Shares may be sold (redeemed) as stated in the prospectus at the respective dealing price (net asset value). Further details are provided in the Amundi Funds prospectus.

Distribution Policy: As this is a distributing share class, investment income is distributed.
