William Blair

William Blair SICAV - Emerging Markets Growth Fund - Class J

Class J Shares, USD. ISIN: LU0995405320, a Fund of William Blair SICAV

This Fund is managed by William Blair Investment Management LLC

The independent Management Company of the Fund is FundRock Management Company S.A.

This Class represents other Class J share classes: J, EUR (LU2001353775).

Objectives and investment policy

The aim of the Fund is to provide capital growth by investing primarily in a diversified portfolio of equity securities issued by emerging markets companies around the world. Emerging markets are typically countries that are still developing their economies.

The Investment Manager will choose well-managed companies of all sizes which it believes to have above-average growth, profitability and quality characteristics. The Fund aims to beat the performance of the MSCI Emerging Markets IMI Index (net). The Fund is actively managed within its objective and is not constrained by a benchmark.

The Fund may invest in China A-Shares through Stock Connect, which is a programme developed for the purpose of mutual stock market access between Hong Kong and China.

Any income generated by the Fund is reinvested to grow the value of your investment.

Recommendation: this Fund may not be appropriate for investors who plan to withdraw their money within 5 years.

You can buy and sell shares in the Fund on a daily basis on any full working day in Luxembourg when the New York Stock Exchange is open for trading.

Further information on the Fund's investment objectives and policy are detailed in the prospectus.

Risk and reward profile

The Risk and Reward Indicator table demonstrates where the Fund ranks in terms of its potential risk and reward. The higher the rank the greater the potential reward but the greater the risk of losing money. It is based on past data, may change over time and may not be a reliable indication of the future risk profile of the Fund. The shaded area in the table below shows the Fund's ranking on the Risk and Reward Indicator.

- This Fund is categorized as a 6 because funds of this type have historically experienced high rises and falls in value. However, even the lowest category does not mean "risk free". The risk category shown above is not guaranteed and may shift over time. Historical data may not be a reliable indication for the future.
- Currency exchange rate fluctuations may have a positive or negative impact on the value of your investment.
- Emerging markets risk: Emerging markets or less developed countries may face more political, economic or structural challenges than developed countries. This may mean your money is at greater risk.
- Investments through the Stock Connect programme may be subject to additional risks, including liquidity, operational, clearing, settlement, market suspension, custody and quota limitation risks.
- All the risks currently identified as being applicable to the Fund are detailed in the prospectus.

Charges

The charges you pay are used to pay the costs of running the Fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.
