What is this product?

Type: Shares of a Sub-Fund of Amundi Funds, an Undertaking for Collective Investments in Transferable Securities (UCITS), established as a SICAV.

Term: The term of the Sub-Fund is unlimited. The Management Company may terminate the fund by liquidation or merger with another fund in accordance with legal requirements.

Objectives: Objective: Seeks to increase the value of your investment over the recommended holding period, while aiming to contribute reducing the carbon footprint of the portfolio.

Investments: The Sub-Fund is a financial product that promotes ESG characteristics pursuant to Article 8 of the Disclosure Regulation.

The Sub-Fund invests at least 67% of its assets in equities of medium and large cap companies that are based or do most of their business in Europe and which are aligned with the Sub-Fund's sustainable investment objective of reducing the carbon footprint. The Sub-Fund's investible universe is predominantly listed European equities, and while it may invest in any area of the economy, at any given time its holdings may be focused on a relatively small number of companies with the portfolio constructed in such a way to have a carbon intensity which is aligned with the MSCI Europe Climate Paris aligned Index (EUR). Whilst the investment manager aims to invest in ESG Rated securities not all investments of the Sub-Fund will have an ESG rating and in any event such investments will not be more than 10% of the Sub-Fund. [br]The Sub-Fund makes use of derivatives to reduce various risks, for efficient portfolio management and as a way to gain exposure (long or short) to various assets, markets or other investment opportunities (including derivatives which focus on equities). **Benchmark:** The Sub-Fund is actively managed and seeks to outperform the MSCI Europe Index over the recommended holding period. The Sub-Fund is mainly exposed to the issuers of the benchmark, however, the management of the Sub-Fund is discretionary, and will invest in issuers not included in the benchmark. The Sub-Fund monitors risk exposure in relation to the benchmark however the extent of deviation from the Benchmark is expected to be material. **Management Process:** The investment manager uses fundamental analysis of individual issuers to identify equities with superior long-term prospects as well as their ESG in particular carbon intensity characteristics. The investment objective is attained by aligning the carbon footprint reduction objectives of the Sub-Fund with the MSCI Europe Climate Paris Aligned Index (EUR). The portfolio carbon footprint intensity is calculated as an asset weighted portfolio average and compared to the asset weighted carbon footprint intensity of the MSCI Europe Climate Paris Aligned Index (EUR). In addition, the Sub-Fund excludes companies on the basis of controversial behavior and (or) controversial products in accordance with the Responsible Investment Policy. The Sub-Fund seeks to achieve an ESG score of its portfolio greater than that of the investment universe.

Intended Retail Investor: This product is intended for investors, with a basic knowledge of and no or limited experience of investing in funds seeking to increase the value of their investment over the recommended holding period with the ability to bear losses up to the amount invested.

Redemption and Dealing: Shares may be sold (redeemed) as stated in the prospectus at the respective dealing price (net asset value). Further details are provided in the Amundi Funds prospectus.

Distribution Policy: As this is a non-distributing share class, investment income is reinvested.
